Online organizational management solutions from Hicks-Carter-Hicks, LLC

Assess and Develop Employees from Anywhere!

Are you looking for an economical alternative to traditional classroom training, surveys and assessments? If so, then Hicks-Carter-Hicks has the solution!

Introducing **H-C-H INTERACTIVE**, an online suite of organizational management tools to augment our existing state-of-the-art HR and Management Consulting services. **H-C-H INTERACTIVE** is an affordable approach to automating workforce training, surveys and assessments. Additionally, **H-C-H INTERACTIVE** is conveniently accessible from our website, by email invitation or even through your own organization's intranet!

SURVEYS & ASSESSMENTS

The H-C-H survey solution offers a mid-point alternative between costly survey consultants and the limited freeware available online. Our platform is customizable, yields robust reporting and can be branded to your organization or program.

H-C-H is an Authorized Partner of Everything DiSC®. These are exceptional online assessment instruments for assessing and developing employees.

E-LEARNING

The H-C-H online campus offers an array of self-paced on-demand courses that include Leadership Development, Diversity, Coaching and numerous other modules. H-C-H's online courses are SCORM compliant, which means they can be taken as stand-alone sessions from any computer/mobile device or integrated into your existing learning management system.
